### What You Should Know When Selecting a Loan Program Partner

### 1) Is the provider an FDIC-insured bank?

### **EnerBank**

EnerBank USA® is an FDIC-insured bank. This means you can count on us for a stable longterm relationship, and that the home improvement loans we provide will be funded regardless of economic conditions. Our standing as a well-capitalized bank lets us keep approval rates consistent without changing major credit criteria.

### **Other Providers**

Most home improvement loan providers are non-bank consumer finance companies. Will your customers feel comfortable dealing with a finance company that is not subject to FDIC audits or regulations, or lacks access to their own capital?

## 2) Who owns the provider?

**EnerBank** EnerBank is owned by CMS Energy Corporation (NYSE: CMS).

### **Other Providers** Will the provider share its stockholder list? Can you determine the competence,

character and financial stability of the stockholder(s)?

### **EnerBank**

3) How well capitalized is the provider?

### EnerBank is well capitalized by FDIC standards and its financial statements are publicly

available on the FDIC website. **Other Providers** 

### Will you have access to the provider's complete financial statements so that you can

determine if they are profitable and well capitalized?

### balance sheet? **EnerBank**

4) Does the provider have sufficient capital to fund your loans on its

investmentvehicle in both good and bad economies. **Other Providers** 

Instead, they rely on third party banks and investors to fund their commitments — a weak business model that routinely fails during a disruption in secondary funding markets. How long would it take for these providers to raise additional capital?

## **EnerBank**

6) With what priority will you be treated by senior management at your provider?

### **Other Providers**

Have you met the top executives at your provider?

Our President & CEO is a frequent participant in these meetings.

### **EnerBank** EnerBank does not.

**Other Providers** 

8) How transparent is the provider's pricing?

### consistently applied year-round. There are no hidden fees.

Some providers offer their best pricing only during seasonal promotion periods. You should also check to make sure there are no hidden transaction or merchant fees.

9) Does the provider have a comprehensive selection of payment options, and are all available all the time?

### Program sponsors have the freedom tocustomize the loan options available to

**Other Providers** Some providers limit which or how many payment options can be offered at any point in time.

## 10) What is the provider's customer complaint rate? How does the provider

**EnerBank** EnerBank has an exceptionally low level of customer complaints. Complaint resolution isconducted collaboratively among the bank, contractor, and the customer. The bank's

account for the amount of the disputed transaction until the customer's complaint has been

## customer lodges a complaint. Some providers are required to debit the contractor's merchant

**Other Providers** 

**Other Providers** 

**EnerBank** EnerBank's BBB rating is A+.

EnerBank's online PartnerPortal and accompanying mobile app provide a comprehensive

dashboard with real-time data for program sponsors and contractors to effectively monitor

and manage their payment options programs — right down to the individual customer level.

### **EnerBank** EnerBank offers multiple paperless application methods, including Mobile Loan App, Online Loan Application, Loan-by-Phone, and API integration with popular platforms.

**Other Providers** Some providers are still stuck in the world of paper applications.

### **EnerBank** EnerBank provides custom buttons with your unique code. We will customize buttons to match your site.

**Other Providers** Some providers don't offer site integrations.

### **Other Providers** Some providers will not permit your company to use another lender.

16) Credit Commitment—for how long is the provider's credit approval valid?

### \*except 6-Month Same-As-Cash, which is 150 days **Other Providers** Most providers offer a conditional approval that they can withdraw at any time. During

at time of approval?

17) What is the provider's application approval rate? **EnerBank** 

## been pre-screened.

**EnerBank** 

### for any other reason. **Other Providers**

18) Does the provider change the interest rate offered to the customer

19) How has the provider fared during economic downturns?

### commitments and increased our workforce. Our credit approval rate went up. We continued to fund 100% of our loans on our balance sheet. During the economic crisis of 2020,

EnerBank continued to fund all commitments and keep approval rates consistent. **Other Providers** During past economic hard times, many providers cancelled their unfunded credit approvals, significantly tightened their approval criteria (thereby significantly decreasing their approval

## 20) Does the provider require recourse on defaulted loans?

**EnerBank** EnerBank never requires recourse for credit defaults.

**Other Providers** 

# EnerBank funds most of its loans on its balance sheet through FDIC-insured brokered CDs.

## This allows us to increase capital when necessary, because our CDs are an attractive

## Most home improvement loan providers lack the capital to fund loans on their balance sheet.

## 5) What is the provider's primary line of business? What percentage is home improvement lending?

## EnerBank's only line of business is home improvement lending to consumers, most ofwhich consists of unsecured loans.

### **Other Providers** For most providers, unsecured home improvement credit is a sideline and represents only a small percentage of their overall business.

### **EnerBank** EnerBank's senior management team routinely visits program sponsors.

## Some providers aggressively attempt to sell other products and services directly to your customers.

### **EnerBank** EnerBank's contractor fees are competitive and based upon objective criteria,

### **Other Providers**

**EnerBank** EnerBank is a leader in the development of innovative consumer payment options.

## their contractors.

## handle customer complaints?

### Customer Relations team facilitates complaint resolution. **Other Providers** Be sure to ask for the provider's specific complaint ratio, and what exactly happens when a

## resolved or determined invalid. 11) What is the provider's Better Business Bureau rating?

## Be sure to take a look.

### 12) What quantity and frequency of relevant business information does the provider offer? **EnerBank**

Some providers offer only periodic static reports of summary level program activity. Others offer no reporting at all. 13) Does the provider offer a choice of phone and internet application processes?

## 14) Does the provider allow integrations with your website?

### **EnerBank** EnerBank does not require this.

15) Does the provider require an exclusive relationship?

### **EnerBank** Our loan approval window is valid for up to 180 days\* after the customer's application is approved, giving your contractors plenty of time to plan and complete the project.

particularly risky when dealing with providers who rely on thirdparty sources of capital.

### EnerBank's approval rate (prior to pre-screening) is 80%. **Other Providers** Some providers state an approval rate that applies only to applications that have

economic downturns, many providers cancel their outstanding approvals. This is

### EnerBank guarantees the interest rate for the term of the loan if the loan is closed before the approval expiration date. We do not impose a higher rate in the event of a payment default or

interest rate if a payment is made late or under other conditions.

**EnerBank** EnerBank's business grew rapidly during the 2009 recession. We honored 100% of our credit

Some providers increase the borrower's interest rate at their discretion or increase the

### rates) and reduced their workforce. We are already seeing this with the early 2020 recession. Some of these companies have exited the home improvement lending sector entirely.

Some providers require that contractors provide recourse for first payment and other credit defaults.

7) Will the provider cross-sell other products or services to your customers?
